(Swansea, IL - September 19, 2007) - Bob Corcoran, founder of Corcoran Consulting & Coaching SM , has been selected as a key speaker at the 2007 National Association of REALTORS® Conference & Expo, November 13-16 in Las Vegas (www.realtors.org).

Corcoran will be speaking on the "Keys to Consistent Business Trends—Even in Weak Markets" on Friday, November 16 from 12:30-1:30 p.m.

"I am honored and truly excited to be selected as a speaker at this year's NAR conference. With a slow down in the residential real estate market, foreclosures at an all-time high as well as the fall out from the sub prime mortgage industry, it is now more important than ever for experienced REALTORS to stick to their guns," said Corcoran.
